YOUR 24/7 REFRIGERATION & SERVICING EXPERTS

Clements cares about your down time, and that's why we're now partnering with Trucksmart, your local experts in Road Transport repairs. Trucks of all sizes can be repaired in the new state-of-the-art Trucksmart workshop located in Beresfield, with the assistance of certified refrigeration mechanics from Clements.

By combining the diesel and engine repair expertise of Trucksmart with the Clements proficiency in refrigeration, you can have faults diagnosed and repaired quickly, and be back on the road again in no time!
